

The Official Personality Report of **Saartje**

The Sofa Sovereign

Date: 10 October 2026

Report number: CC-2026-000000

Saartje is a true Sofa Sovereign

The house belongs to Saartje. You just pay the rent.

After careful analysis, Saartje has reached a firm conclusion: royalty, obviously. The sofa is the throne, the windowsill is the balcony for public addresses, and you are staff: pleasant, but slow with the kibble. Criticism is not accepted. Compliments are, ideally daily.
